

# Welcome

Over the past several years the Salem-Roanoke County Chamber of Commerce has demonstrated its commitment as a leader in the local business community in creating, developing, promoting and supporting quality business opportunities. But, our foundation lies in the loyal membership of this organization. We appreciate the investment your company has made to support the Chamber and hope you will continue to take advantage of the many services that add value to your membership.

The Chamber offers an array of services for our members and encourages participation in Chamber activities that are designed to promote your business.

These services include:

- Networking opportunities through participation in a variety of events
- Marketing opportunities in advertising, sponsorships, corporate listings, eBURSTs and referrals
- Membership involvement in committees, events or our Board of Directors

Representatives from the Chamber – staff, directors, ambassadors and volunteers – play a vital role in the success of this organization. I want to commend these amazing and very generous people for their dedication to the Chamber and all of the efforts they make every day to provide services to our community and business members.

Finally, I want to thank you for your ongoing support of the Chamber. We look forward to a continued relationship in working together to strengthen the economy of our local business community and promoting the wonderful quality of life the Salem and Roanoke County communities offer.

Sincerely,  
Compton M. Biddle  
President 2011
